

We remember the 613 Azerbaijani men, women, and children killed in Khojaly on February 25 and 26, 1992. Continuing to mark the anniversary of such a tragedy is always difficult, but it is critical that we spend time honoring the precious lives lost.

The Government of Azerbaijan continues to partner with the United States in counter-terrorism efforts, and the country has made meaningful strides its short history as an independent nation to promote economic development regionally, including its efforts in constituting the "New Silk Road."

Mr. Speaker, I ask my colleagues to join me in remembering the town and people of Khojaly who died on those fateful days and in offering our deepest condolences to Azerbaijan on this tragic anniversary.

**CITY OF BURIEN'S 25TH
ANNIVERSARY**

HON. PRAMILA JAYAPAL

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Monday, February 26, 2018

Ms. JAYAPAL. Mr. Speaker, I'm proud today to join in the celebration of the 25th Anniversary of the City of Burien in Washington's seventh congressional district.

The story of Burien's incorporation begins with a desire for the people to have their voices heard. Nestled between the peaceful waters of the Puget Sound and the bustle of Sea-Tac Airport, Burien's residents felt underrepresented as impacted communities of the airport. Through determination and organizing, the residents were able to reclaim their own agency and set forth on a path to incorporation and representation. The City's vision commits to, "A vibrant and creative community, where the residents embrace diversity, celebrate arts and culture, promote vitality, and treasure the environment."

This vision has guided Burien long before its incorporation. Driven by family and immigrant owned businesses, Burien is ever expanding and innovating new opportunities for its people. Together, long time Burien residents, Americans and immigrants from places like Vietnam and Mexico form a tight-knit city that bustles with traditional foods, celebrations, and neighborly spirit. These communities have laid a foundation for Burien to thrive.

Burien's investment in a just and sustainable city for all has been critical in the fight against climate change and will continue to be critical as we transition to a future powered by renewable energy. Individuals such as Burien's first mayor Dr. Arun Jhaveri have been leading Burien in climate solutions like solar centering a commitment to clean air, clean water and healthy communities.

With over 50,000 residents and over 50 different languages spoken, Burien brings people together across difference to celebrate what we have in common, whether basking in the glow of giant illuminated flower sculptures at Dottie Harper Park for Arts-A-Glow, dancing in the streets for Pride Fest, or eating strawberry shortcake while checking out vintage cars at Strawberry Days.

Mr. Speaker, my hope for Burien is to continue growing with compassion, love and understanding. To harness the power of collective action and grow in ways that supports

their vision for a brighter, more inclusive, and sustainable future. With the election of Jimmy Matta, Burien's first Latino mayor and this passionate City Council, will lead a vision of unity and strength for Burien's community. Together this community will tackle challenges with grace and courage ensuring that we leave the world a little better for our youth. A legacy that we can celebrate with pride.

I again offer congratulations to all in the City of Burien on their 25th anniversary and wish them the best for their next 25 years.

**FALLEN K-9 OFFICER RONY—
HOUSTON POLICE DEPARTMENT**

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, February 26, 2018

Mr. POE of Texas. Mr. Speaker, the radio blared, a criminal was on the loose.

K-9 Officer Rony and his fellow officers of the Houston Police Department (HPD) responded to the call, ready to take down a dastardly villain. The crook led the officers on a vehicle pursuit, throwing contraband from his car and intentionally ramming an HPD patrol car.

Suddenly, the criminal bailed out of the stolen vehicle, leaving K-9 Rony to pursue the criminal on foot, through a heavily wooded area. As he chased the suspect at full speed, one of K-9 Rony's legs became entangled on a fallen log.

Despite multiple breaks in his leg, K-9 Rony attempted to continue his pursuit. Always a fighter, he was simply in too much pain. His handler rushed him to an emergency animal hospital.

Prior to this accident, K-9 Rony had experienced the pain of arthritis in his other three legs from chasing outlaws. Losing a limb would have only put him in more suffering. His team made the heartbreaking decision. K-9 Rony would be put down.

K-9 Rony gave his life to the thin blue line, helping chase down and apprehend a vile criminal. He was a faithful servant of the Houston Police Department and the people of Houston. He served the department for seven years and had over 250 captures. Rony was known as one of the best K-9 officers the department had, and he will be dearly missed.

Mr. Speaker, we are eternally grateful for our police officers and their furry counterparts in their commitment to keeping our communities safe from criminals. K-9 officers like Rony are of the highest caliber, and we salute him for his service.

And that is just the way it is.
